Dear Friends,

The Mississippi High School Rodeo Association (MHSRA) is a youth organization that provides a great family environment for our student athletes to compete in the growing sport of rodeo while maintaining certain standards in their education and conduct. Our youth members have an opportunity to learn responsibility and self discipline and to exhibit their talents and sportsmanship in and out of the competition arena. The rewards of their dedication and efforts are the numerous friendships made and the time spent together as a family. Our association encourages these high school students to continue their education at the next level by allowing them the opportunity for scholarships that can be used at community college, four year college or university, trade school, or vocational school.

The MHSRA in conjunction with sponsoring committees will host approximately 12 rodeos across the state from September to May. The season is concluded by hosting a State Finals Rodeo in Hattiesburg, MS, June 4 - 8, 2019, where our top qualifying cowgirls and cowboys earn a berth to represent Mississippi at the National High School Finals Rodeo, the largest youth rodeo in the world with over 1500 competitors from 42 states, 5 Canadian provinces, Australia, and Mexico in Rock Springs, Wyoming, July 14 – 20, 2019. We average in excess of 150 contestants in our state high school membership with about 40 qualifying to travel out west to compete for a national championship. Mississippi has always competed well at the national level winning several national championship titles and placings in the top twenty. We also have a junior high association that operates under the same guidelines preparing them for the next level.

We are very proud of our rodeo athletes and their accomplishments. At the conclusion of our current rodeo season following our State Finals our association awards our State Queen, State Champions, all around cowgirl and cowboy, top ten contestants, and our national qualifiers for their efforts with thousands of dollars in prizes, including 17 trophy saddles, 100 plus trophy belt buckles, trophy jackets, top ten awards, team shirts, and scholarships.

As our rodeo season begins, we also start preparing for our State Finals Rodeo. It is the generous contributions and support from our many friends and sponsors along with fundraising that makes this special event possible. While we realize that the economy can be difficult at times, we believe it is important to invest in our youth, especially those who believe in hard work, competitiveness, the spirit of rural life, and preserving our western heritage.

As the rodeo season progresses, we would gratefully appreciate your partnering with us in our efforts to continually meet the needs of and offer encouragement to the youth of our organization. We have several sponsorship opportunities available in hopes that one that will benefit you as well. Please feel free to call on us at anytime if you need more information or have questions. Thanking you in advance for your time and consideration of becoming a continued supporter of high school rodeo.
